Division of Corporations

Dear Florida Department of State,

On October 21<sup>st</sup>, I received an Administrative Dissolution or Revocation notice from your department. After read it, knowing that I did not received the notice with the Annual Report mentioned on it, I called to my Accountant that informed me more about this document that I supposed to receive every year during the first months. I was looking into the Corporation file, searching for it, with no results. I called to this department and I spoke to Mr. Joseph who informed me that I may write a letter explaining that I did not received it.

That is what I am trying to explain formally, that I did not received that document, and I was in country during the first months of the year, then I don't understand what really happen.

As I will be traveling abroad and with the fully intention to have all my legal documents for the corporation centralized into just one address, I am sending my Accountant office address, who will be in charge to make and pay everything on time for the future years to come.
