R.E. Reinstatement of corporation

To whom it my concern, my name is Joe Collini, and am the owner of A Plumber for Less Inc. I recently received a letter from your department explaining a notice of administrative dissolution or revocation. I feel this is a mistake. I sent a check into your office around May. There after we found out you never received this check. I contacted my bank and found out the check had never been cashed. I spoke to a representative from your office and explained my situation. They informed me that I should send a letter explaining what had happened and another check. On May 20<sup>th</sup>, 2002, I sent in another check for \$158.75, payable to the Department of State. Along with a letter explaining what had happened. I checked with my bank to make sure this check was cashed. You department cashed this check on June 5<sup>th</sup>, 2002. I received the notice of dissolution in the mail, and there after I called your offices. They informed me that they sent me a rejecting letter on June 6<sup>th</sup>, 2002, to make some corrections. I never received this letter in the mail, or I would have sent it back with the correct information. I appreciate your cooperation with this matter.

Sincerely, Joe Collini
