RE: M2-Tec, USA, Inc. 59-3758716

Dear Sir or Madam:

We are respectfully asking that the late filing penalty of \$400.00 be waived for this taxpayer. My client came to the United States from Europe just this past April and was unaware that this payment was required to be made by May first in order to maintain the corporate status in Florida.

I really don't know what data you need to waive this penalty. I am willing to give that data to you if it would assist in this process. The fact is that my client did not understand that this was required to be paid by May the first. He, his wife and three children came together to the U.S. to live and bring business here. I think that in all the flurry of setting up house, he didn't know what he was supposed to do.

I have been hired to help this taxpayer with these issues here in the United States. I am hoping that you will understand that this was an error and not an intention to not pay the UBR in a timely manner.

Respectfully,

Elizabeth Coppoli
