Enclosed, please find the application for Corporation Reinstatement for NetWave Technologies, Inc., document # P01000099828, incorporated October 15, 2001.

Attached is a check drawn in the amount of \$150 to cover the original filing fees associated with the Uniform Business Report.

This form and check is being submitted, along with this correspondence, as directed by an agent of your department in a telephone conversation last week. It came to my attention just last week that the corporation, NetWave Technologies, was officially dissolved for neglecting to submit the above referenced report and fee. Unfortunately, as I explained to your agent, I never received a request for the report. If I had, I would have certainly submitted it with the fee, as I am doing now. It is important to us that we conduct our business in accordance with the terms set forth by the Division of Corporations. I will certainly know to expect and to look for the form in coming years.

Considering that we never received the request, I respectfully ask that any late filing fees be waived, and that upon acceptance of this reinstatement form and payment of the original fee, NetWave Technologies, Inc. be reinstated and the status made active.

Thank you for your consideration and attention to this matter. I can be reached directly at 321.303.3617 should there be any questions.

Sincerely,

Kaylor V. Hildenbrand  
President
