Re: P01000101257

Dear Sirs,

I recently received a notice in the mail from your organization. I briefly read over it and submitted it to my CPA. She explained how it needed to be completed and told me to send a check for \$550.00 with it. I couldn't understand why until she explained I should have gotten one in January. Well I honestly never received one in January. I closed on my home in February and I still get mail from the previous address because I have not closed the mail box account as of yet. I'm very new to the corporate world but I can guarantee I do not ignore anything that comes from the State. I do not have an explanation for why I did not get it but I am asking you to excuse me from the \$550.00. I did call your office today and explain my situation and the kind man on the phone told me to mail the check for \$150.00 and place a letter in with the application. As a business owner it's a struggle but I can promise I will look for the application for next year and if I don't get it I'll be calling your organization. Thank you in advance for all your assistance to this matter.

Respectfully,

  
Edith M Carr
