To Whom It May Concern:

I first need to apologize for any inconveniences my filing and paying the Uniform Business Report (UBR) late. Unfortunately, the mail delivery where my business is located has been completely unorganized due to new businesses establishing within the plaza. Therefore, I truly believe that my UBR Form was mailed to another storefront in the plaza and possibly thrown away. I never received the form. That is why I did not send the fee or the form on time.

I am a very responsible individual and would never have let this happen if I would have received the notice. In addition, to avoid this happening again, I would prefer for any forms or letters sent from the Division of Corporation, to be mailed to my residence. That address is 761 NW 74th Ave, Plantation, Florida 33317.

Therefore, I am sending the completed UBR Form and fee of \$150 for my business Kreative Kinx Hair Studio to be up and current with the Division of Corporation. Moreover, I promise that this situation will not happen again. If someone from this office needs to speak with me personally, I can be reached at (305) 770-4247 or (954) 797-6700.

Again, I do apologize for any inconveniences.

Thanking you in advance,

Dana Porter-Shaw
