**To Whom It May Concern:**

Due to a change in address, and an error at the Post Office, we did not receive our Uniform Business Report until mid-May. At that time, we filed the report immediately, enclosed a check, and rushed it to the mail box with a short note of explanation for the tardiness of the report.

However, upon receiving my bank statement today, as well as checking on line, we have discovered that the check written for the report has not cleared. We called the main office in Tallahassee, and they told us to send a letter of explanation, along with a copy of the original report.

Please advise: should we send another check and refile, or should we give it more time? Should there be any further information required, we can be contacted at the above telephone numbers, or the on-site telephone, 954-689-8252.

Thank You.

Sincerely,
