It has been brought to our attention that as of this date our Uniform Business Reports for 2002 for the above referenced corporations have not been filed. We did not receive the original report forms nor have we received any follow-up notices. Since we have had other problems with our mail in the past we have changed our mailing address for these forms so we will not miss the deadline in the future.

We are enclosing the Uniform Business Reports as our Application for Reinstatement for both corporations along with the required annual fee of \$150 each. We respectfully request abatement of the penalty for late filing.

Your assistance in this matter is appreciated.

Yours truly,

Michael O. Ruff, President

It has been brought to our attention that as of this date our Uniform Business Reports for 2002/2003 for the above referenced corporation have not been filed. We enclose herewith our previous correspondence submitted last year. We are truly at a loss to understand why this issue is still unresolved from that time since documentation was submitted with Millennium Transport & Towing, Inc. and that corporation was recorded and is active. We are also enclosing a copy of our cancelled check for Alpha Collision Centers, Inc. that was processed by your office at the same time as Millennium.

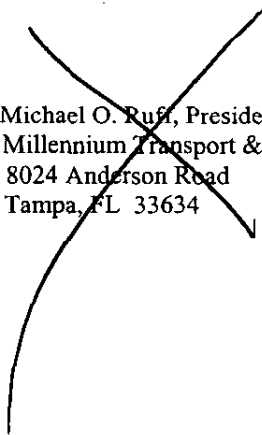

How this got so mixed up we just do not know. We are enclosing a new Reinstatement form for this year along with the 2003 annual fee of \$150. We respectfully request abatement of the penalty for late filing.

We have never owned our own businesses before and along with the downturn in the economy which has significantly impacted this industry we are having a difficult time absorbing all the different requirements and deadlines. It has now been explained to us that since everything was still messed up from last year we didn't get a form from your office for this year and that compounded the problem. We have now checked out the Sunbiz website so we will know what to do if we don't get a form next year.

Your assistance and consideration in this matter is greatly appreciated.

Yours truly,

Michael O. Ruff, President
