RE: P01000112989 FEI#59-3759175

Dear Ms. Harris:

Since I am a new corporation and this was my first year being required to file a uniform business report, I was unaware that I had something due until I recently received the attached "2nd request" for my corporate annual report.

The original form went to my accountant's post box because I put that down as my mailing address and I never received the form from her. When she mailed me this 2nd notice, she explained to me that "my original UBR form must have fallen thru the cracks somehow, and she apologized." She is usually very thorough in our other business dealings we have had but she failed to send me the original return. I realize that it is my responsibility to make myself aware of this requirement and that ignorance is no excuse of the law; however, I truly do not believe it was my fault this form is now late especially because I never received the form in the first place since it went to her and its my first time filing. This was an honest mistake that this happened and I am therefore pleading with the State for an abatement of the penalty.

Therefore, PLEASE accept my check for \$150.00 rather than \$550.00 and abate the \$400 penalty. I promise I will do everything in my power to make sure this doesn't happen again. Now that I know I have to file this thing every May 1st, I will be filing it timely from here on out.

Thank you,

William Huddleston
President
