## Uniform Business Report

To whom it may concern:

I have just received the UBR and this is the first notice that I have received since starting our new business. I understand that a fee of \$150 will be accepted as this is the first notice of UBR that I received. We are new to the area; mail service was intermittent for the first few months.

We incorporated in December of 2001 so as to get an EIN Number and to establish vendor accounts. Yes, it was incorporated and was not open for business until Late January of 2002. If this constitutes a \$150 fee, you will find it enclosed. If not, could you please return it to me?

Thank you for your consideration. Moving down from the Northeast has been a large learning experience.
