To whom it may concern

This letter is to notify you that we have not received any previous notices for 2002 in the past and wanted to reinstate the corporation. I am originally from Canada where are head office is located, and opened a secondary US office in Florida. Due to weak economy we were not able to start up the second office right away. I registered the corporation in Dec. 2001 but did not actually start doing business till Jan. 2003. I have been traveling back and forth to Canada preparing the office. If I was a little more familiar with the Florida state business laws I would have been aware of this and would have completed this at the proper time. I hope you can understand the situation and not charge us the late penalty as tuff times are upon us all. If there are any questions please do not hesitate to call us.

Regards,
Jim Panagiotakopoulos
