Re: Reinstatement of GMAB, Inc.
Document Number P01000118252

Dear Mrs. Dunlap:

Thank you for taking time to speak with us this morning. Per your instructions, attached is the Reinstatement Form and a check for \$158.75 for the Filing Fee of \$150 and a Certificate of Status for the referenced corporation.

As we discussed, GMAB, Inc. was evidently inadvertently dissolved when we did not respond to a letter your records show was sent to us by your department on July 23, 2003. As I explained, we did not receive such a letter, nor have we received any further correspondence from your department since we submitted the UBR Form and filing fee for 2003.

Prior to submitting for 2003, I spoke with your department to explain we were filing late because our office never received a First Notice, nor the UBR Form that would have accompanied such notice. I was told to submit the filing with payment of \$150 and explain the circumstances in a cover note; which we did.

Thereafter, not hearing anything further from your office, I assumed, as I had been told, that everything was fine. Thankfully, my CPA called this morning to alert us that GMAB, Inc. had come up in a name search as not having filed yet this year. When we went on the website, we first learned about the dissolution and called you.

I thank you once again for your consideration in accepting this filing, and ask that you please make sure your records are updated with the correct address for GMAB, Inc. so we will be able to receive notices and file timely in the future. As an added precaution, we've electronically posted a reminder for next April in our database.

Thank you very much.

All the best,

C. Scott Rassler
