I just received the paperwork for the 2003 Uniform Business Report. I never received anything earlier this year. I had also submitted paperwork earlier this year to show that my business has changed addresses. Apparently that paperwork did not get entered into your system because you sent this form to the old address.

I have filled out the form and have included the original \$150 fee. I called your office and was told I did not have to pay the \$550 late fee because I had never received the first notice.

The new address and contact info is:
