DIVISION OF CORPORATIONS

Subject: DISSOLVED OF BUSINESS

Thank you for your correspondence for Uniform Business Report 2003. Please be advise that this business was never started from the issuance date of the Business. Reference business number: PO 1000120584.

I was told my KVR Rotor company before starting the business that I would have to my business license to operate in Florida, my occupation license, Federal Tax ID number in order to even start are for them to accept my application. In as much as I wanted to start I completed all the required to do this. Once this was done I contacted them to submit my legal documents to them. When I called the companies Sales Manage, he informed me that it would take 50K to 70K dollars to obtain a KVR PERFORMANCE ROTOR AURTHORIZED FRINGLE. I told him that I was not informed of this required at the beginning. He stated so many people want to start but can not are do not contact them after the company tells them what is needed. To say the least I told him that is not correct business practice or fair. To make a long story short I did not go any further as I did not have that type of funds.

I never sold are order anything for this business and therefore request it be dissolved. There were no financial transactions of any kind ever. I have cancelled all others items for this business.

If there is anything else I need to do please let me know. Thank you for all your help in this matter.

Sincerely

Ocey L. Holland, Jr.
