To whom it may concern:

My name is Lori Lockhart. I have just recently finished setting up my S-Corp through my accountant, although my accountant had prematurely set up the corporation at the end of 2001. Let me try to explain;

My conversation with my accountant in December was to check and make sure the fictitious name that I had chosen was available, then he would contact me to proceed with the business. Well from that point I did not hear anything for a month or so and in-between that time I had worked things out with another individual to go into a partnership. My accountant had mailed me info stating that the corp had been set up and we would have to redesignate the director/owner. At that time I had explained to him that I would be putting the continuation of the business on hold to make sure the new business venture would work out. Of course I did not set up anything or pay anything towards A Cleaner Concept with all confidence that the current venture would be a success. Obviously, I was mistaken and at the end of July, I realized my only hope was to continue with "my" business, (A Cleaner Concept).

I am writing this letter in hopes that you will accept the pre May 1st payment of \$150.00, for if I had set up the business as originally scheduled I would never have delayed in the payment of the original fee. I have also sent the report + payment via overnight so that any additional correspondence will not be delayed.

Please notify me at your earliest convenience with the ruling in this matter for I do not want to be later than Sept. 13 delinquent. Thank you for any consideration.

Sincerely,

Lori L. Lockhart  
A Cleaner Concept
