To Whom It May Concern,

My name is Eugene Hartigan, president of Surfside Inspection Co. The reason I am writing this letter, is due to the late fee I am being charged from our Uniform Business Report. I spoke with a representative from the Division of Corporations, and was instructed to write this letter to explain my situation.

The first item-that-came-up-was-a-business-card-mailer you send out in January. I did not recall receiving one. The first item I received was letter asking if our address had changed, or if any of our officers had changed. I replied that everything was the same. Then, I received an actual report, all this well past May 1. So I sent it back with a check for \$150.00. Now I got a letter saying I owe the late fees of \$400.00 more. This was a misunderstanding that

will never happen again. We are a small business, small enough where both officers have full time jobs elsewhere to support our families. For a large corporation \$400.00 penalty may not be a big deal, but for a small corporation like Surfside it's a huge setback. I hate to use the past two hurricanes as an excuse, but the fact of the matter is they both hit here and we're still recovering from them. We may not be a big company, but we're honest and we pay our all bills on time. So, as your representative instructed, I am writing this letter to ask to waive the \$400.00 late fee. Thank you for your time and consideration.

Eugene J Hartigan
