Dear Sirs:

Enclosed you'll find check issue to you in the amount of \$150.00 for the renewal of G'vee, Inc Doc# P020000000896. You'll also find a copy of the completed 2002 Uniform Business report for our company. We are sending you this payment and at the same time request that you waive the penalty due because we did not know that we had to pay an additional \$150.00 for this year corporation. We opened the corporation on 12/31/01 (Note Files attached) and did not open until 2002. We did not have anything set up since we were not incorporated at all for 2001. We now recognize that our mistake in interpretation was that you had opened the corporation for the year 2001 and we thought that it was valid for the year 2002. We felt this because it was the last day of the year that we had filed for said corporation. We did not want to pay \$150.00 for a corporation that was opened for a couple of hours technically speaking. However, we recognize our misunderstanding and humbly request your help in solving this matter. Please accept our apology for any inconvenience caused and our misinterpretation. It is not our intention to avoid paying you the monies due but given our situation and how this occurred on this occasion, we request your assistance. Please accept this payment and waive the additional monies. Thank you for any assistance you can give us. Should you have any question, you may give me a call at 407-251-2210. Thank you.

Sincerely,

Carlos Rodriguez
Vice President
