Fraudulent change of named director

I received an email on November 29, 2021 that a change had been made to the above-referenced corporation, of which I am the sole owner and director. A review of the Amended Annual Report filed on November 29, 2021, showed that an Anthony Romero filed an amended annual report and removed me as the director and named himself as the director. I do not know, nor have I ever known an Anthony Romero. As a law firm, the Bar does not allow a non-attorney to be involved in ownership or management of a law firm. While I am unsure of his motive, he has fraudulently provided false information to the Division. It is imperative that this error be corrected as soon as possible. My office administrator spoke today with the Division and was instructed to provide a statement of fact as to the fraudulent action. Please accept this as that statement.

ADDENDUM (12/08/21): An Amended Annual report was filed on 12/02/21 and Anthony Romero's name was removed. The above Statement of Fact was entered on 12/06/21 and another Amended Annual Report was filed on that same day removing my name and again naming Anthony Romero as director. Please amend this again to the correct information.
