Florida Department of State,

On July 22, 2003 we received a letter stating that we still have a remaining balance of \$400.00 because we sent the Uniform Business Report after the date of May 1st. Enclosed you will find the letter that was originally sent to you with a copy of the original check for \$150.00 stating the reason why we sent only \$150.00.

This letter is sent under the recommendation of a representative available by the toll free number which advised us that the original letter was detached from the check for \$150.00. Thank-you in advance for the resolution of this matter.

Herminio Sanchez,

President/Director

July 15, 2003

Florida Department of State,

On the week of June 7th notification of filing the Uniform Business Report was received at my address. The notification states that a fee of \$550 must be paid if the original \$150 was not received by May 1st. There was no prior mailing or notification indicating the due date of May 1st. Consequently we are now notified of the late fee amounting to \$550.

On the last page of the document it states that if this was to occur to send the original payment of \$150 along with a letter stating the Corporation did not receive prior notice. This corporation is complying with those requests and enclosed is a check for \$150 .

Herminio Sanchez,

President / Director
