Dear Ms. Payne:

Please be advised that I am a victim of identity theft. As part of this crime some unknown source has fabricated documentation to title me as president of two (2) different businesses which I have no connection to in any way, shape or form. See businesses listed below.

Mountain Candle Works, Inc.  
Document number: P05000042438

Justin Management, Inc.  
Document number: P02000010551

Effective immediately I respectfully request that my name and all other personal information be removed accordingly. I further request that any documentation necessary to insure that I have no liability to these companies or their activities be clearly noted on all state records and a copy of such documentation be forwarded to me for my records.

As a point of interest I have established a police report, notified the Federal Trade Commission, notified the State Attorney General Office and placed an alert of all three (3) major credit reporting agencies.

I thank you in advance for your prompt attention and cooperation in assisting me in clearing up this very serious matter. Below you will find my contact information. Please feel free to contact me with any questions.
