RE: Amen Pressure Cleaning, Inc.
Uniform Business Report, Doc. #P02000017931

To Whom It May Concern:

My husband and I recently opened a pressure cleaning company. We've never owned our own business and we are learning from every experience we've had this year. The reason we are writing this letter is because we received a Uniform Business Report Form to our home address but not knowing what it was we didn't take a close look at it. We didn't recognize it as an important document and it was put aside as not important. On Mother's Day I was going through our home mail--reading and destroying junk mail and came to the form to find out that this was in fact an important document. I made sure I called Tallahassee first thing Monday morning to explain to them what had happened and to also ask what this form was all about because we have never seen such a thing. Once again, being 1st time small business owners we just didn't know about this UBR.

If this document was sent to our business address we would have taken a better look at it and submitted whatever necessary right away. This is why we have separate addresses for our home and our business so we can easily decipher from business important and home mail. Our corporation is hurting too much right now for us to purposely not make this payment in a timely manner. We are always eager to learn but a \$400.00 late fee is one that we can not afford to learn at this time.

We are at your mercy and we hope that you would accept the enclosed UBR Form with the fee of \$150.00 and we apologize for the delay in payment. If we had known, or if it was sent to our business address I promise this would not have happened.

Sincerely,

 + 

Miya & Zenaida Fisher
