Dear Dept. of State:

On October 20, 2003, I visited Sunbiz.org and realized that our corporation, Turbine Engine Center was listed as inactive. Admin. Dissolution for Annual Report was the listed reason for this status. I immediately contact the Florida Department of State and explained that we had received no such report to complete and file with the state of Florida. I further explained that the current address (7870 NW 76 Ave, Medley, FL 33166) listed on Sunbiz.org is incorrect, which should explain why we didn't receive the Annual Report Form. I received the following instructions from the Department of State to reinstate the corporation, they are as follows:

1. Download, complete and mail the Corporation Reinstatement Form
2. Submit a detailed letter explaining the circumstances for not filing the Annual Report
3. A check for \$150.00 USD plus \$8.75 if we desire a Certificate of Status
4. Informed that this process will take 5 to 10 business days

Please understand that Turbine Engine Center, Inc. had no intention to avoid any required form and/or fees from the state of Florida. Going forward, this mishap will definitely not repeat itself.

If you require further information or have any questions, please feel free to contact me at 305-887-3577.

Sincere Regards,

Jerson M. Martinez  
President  
Turbine Engine Center, Inc.
