October 16, 2003

To whom this may concern,

I received a Notice of administrative dissolution or revocation on October 16, 2003. On that same day, I called the number located on the back of the form and spoke to a customer service representative about us receiving this document. I was unsure of the reason why we received this document, because we sent you a check back in January of 2003. The customer services representative said that it was paid but we had forgotten to put the FEI number and that they sent us a letter back in February to notify us about the mistake. However, we never received any notification of that till now. The form that you send has the FEI number and updated info (Vice President). If you have any questions feel free to give me a call at 727-799-9220

Sincerely

A handwritten signature in black ink, appearing to read 'David Billegas', with a stylized flourish extending to the right.
