Re: Custom-Crete Acrylic, Inc
FEIN: 30-0006218

To whom it may concern,

I incorporated Custom-Crete Acrylic, Inc in February, 2002. This is my first time owning a corporation and with them is a lot to learn. I have tried very hard to keep up with all the regulations necessary with this corporation. I just spoke with Gary, a member t your office and he told me all I had to do to keep my corporation was to send you this letter stating what has gone on in the last year and a half. Back in April 2003 I sent a copy of the Uniform Business Report for 2003. In November I received a letter stating that you had received that money and the UBR, but that it was being denied since there was something missing on the first one sent in. I returned that and in December I received a letter saying that nothing had been received and my corporation was being closed. At that point I spoke with someone who said that I had to write another letter saying that I had mailed in the first and that would make my corporation be active again. I just looked online and found out that my corporation was inactive. When I spoke with Gary he said I should send in this letter and a copy of a reinstatement fee for the year 2004 and I would be all set. I am truly hoping that this incident does not occur again and is all settled. I will continue next year to send my UBR in a timely manner with the 150.00 as I tried to do the first year I was incorporated. Hopefully next year it will go a lot smoother than this last year and a half. If you have any further questions, please do not hesitate to contact me at (407)929-5262. I apologize for any inconvenience. Thank you for your cooperation.
