To Whom It May Concern,

I recently had to release one of my managers. As I was cleaning out his office I noticed that he had a Uniform Business Report for the year 2003 in his inbox. This UBR was the 60 day notice that the corporation had to be renewed. I immediately called my accountant and he told me that I should talk to the Florida State Corporation Division and see what should be done. As far as I am aware I never received the original UBR that was sent in January. I went online and noticed that to file the UBR today would be \$550.00 to file. When I called the Florida Division of Corporations I was told that I needed to send a letter along with the registration and payment in order to straighten this ordeal out without the \$400 late fee.

The company has also recently moved to a new address and I am wondering if the original UBR was sent to the wrong address. Included in this UBR is the new address. I apologize for this mess and will make sure to look for this again come next January. Thank you for your consideration.

Sincerely,

Russell Deatherage
