Dear Mr. Dunlap,

As per our conversation yesterday, I have spoken to my wife who took care of the annual report. She stated that the notice was received and taken care of in August of this year. The paperwork was printed from the computer and a check was written on 8/21/07. It was mailed immediately at the public mailbox in Tavernier Towne outside the local post office.

We take our obligation to follow the law and common practices of good business very seriously. It is unknown to us what happened to the paperwork we sent and the reason it took so long to arrive. When the paperwork was returned, I did notice it had gotten wet. Perhaps that caused a problem in the mailing. Regardless of the cause, it was not our intention for this to be received after the date due. We are attempting to correct this problem with haste and we respectfully request that the fee be waived for reinstatement. If you need anything else we will be happy to comply.

We appreciate your time and attention to this matter and await your reply.

Respectfully,

A handwritten signature in black ink, appearing to read 'Dennis Renfro', with a stylized, flowing script.
