RE: I.A.M.B. Management, Inc. #P02000034107

To Whom It May Concern:

My client is in receipt of a late filing package and penalty billing for non-receipt of the 2003 corporate UBR. Our records show that this report was filed on March 31st and paid in full for \$150 with check number 5639 directly by our firm. However, in review of our bank records this check has not yet cleared. Apparently, this filing was either lost in the mail or miss routed in your system. I'm sorry that my bookkeeper did not bring this un-cleared check it to my attention earlier.

As you can understand, my client is distressed that this error, on no part of her own, has caused the assessment of the \$400 penalty. We ask that you grant her leniency and accept the enclosed check as replacement for check number 5639 and bring her corporate filing up to date.

If you should have any questions, please contact my office at the number above. Thank you for your consideration in this matter.

Sincerely,

Mary Beth Meyers CPA
