To Whom It May Concern:

I had reactivated the company of Skar Export & Import, Inc last year. I called your office on June 25, 2004 because my accountant could not find the company in the government's records. At that time, I was told that the corporation had been deactivated in September of last year due to the fact that the Annual Report for 2003 had not been received (nor the payment). The reason that we didn't send out the form and payment was that we never received these forms or notices. We weren't sure if the reason was that the corporation had just been reactivated during that same year.

Well, we were told to write this letter, send a check for both years, and submit a corporation reinstatement form in order to reinstate the corporation. If you have any questions or need anything else, please contact me at (813)-978-1013.

Thank You,

Enrique Skinner
