RE: Application for Reinstatement for Holt Development, Inc. – Doc # P02000039929

To Whom It May Concern:

I was recently made aware that my corporation had been administratively dissolved due to nonpayment of the Annual Fee for 2003. Although the dissolution notice was apparently mailed out on September 19, 2003, it was just recently given to me.

Not knowing exactly what this was about, I asked my accountant. He explained to me that I should have paid the annual renewal fee (of \$150.00) on or before May 1, 2003 to keep my corporation active in your system. He explained that I should have received an original Uniform Business Report from your office in January or February of 2003, and described what the form looked like.

I do not recall receiving such a form from your office. I believe that the problem is two-fold. First, there has not been any activity for my corporation since the time that I started it up. This is because I have another job, and (up to this point) have not used my corporation for its intended purpose. Secondly, my address is a rural address and I often have difficulty in receiving mail at this location.

Finally, since I was not familiar with Florida's corporation reporting requirements, I did not know to expect the UBR form during the first part of 2003.

In consideration of the facts presented herein, I respectfully request that you waive the reinstatement fees. I will make sure that all future returns are filed and paid timely.

I have completed and attached a UBR/reinstatement application, with a check in the amount of \$150.00 to cover the annual fees for 2003.

Thank you in advance for your favorable consideration of this request.

Sincerely,

Clinton D. Holt
President
