Annual report Notice.

Tallahassee Fl. 32314

Dear Department of State Division of corporations. I just received the annual report notice on 5/16/05 and am mailing the required \$150.00 payment to you. I am not required to pay the additional fee of \$400.00 because I did not receive the postcard in a timely manner. Additionally Aversa Industries has been put in possession of the National Security Agency of the USA, The United States Treasury, the SEC and the USA patent and trademark office because unsavory elements illegally pierced Aversa Industries Inc's classified corporate veil, stole it's private trade secrets including inventions that were earmarked for the DEA or the FED, illegally cloned and stole classified DOD or NSA information or communications devices from NSA or Aversa Industries, the State of Florida and the Federal Government ,to participate in serious white collar crimes or other fraudulent activities including illegally stock market manipulation and a host of other very serious crimes. Aversa Industries Inc. Vincent E Aversa Jr. in collaboration with President Bush or his administration NSA and the authorities has placed a federal lien against the culprits and is now a Federal Trustee and receivership for the full amount specified on this lien plus interest in the amount of \$900 Zillion Dollars domestically and \$900 Zillion Dollars internationally. Aversa has also liened

Froze, seized and levied the unsavory business entities in the World trade organization because the crimes he identified during his own due diligence while investigating the culprits include, illegally product dumping by foreign entities and other serious offenses including unlawful stock market insider trading and timing or other serious white collar offenses.

13 J 83

Half of this lien when collected will be used to eliminate the Federal or State deficits, revive the economy in the USA. pay for the war in Iraq and fund defense spending. The lien was levied during the course of the culprit's crimes by Vincent E Aversa Jr. and Aversa Industries Inc. in an effort to fight the war against terror or crime or to hold, levy and seize the assets of these debtors that stole or illegally used this information and profited from it. Aversa Industries Inc. must now be held in State and Federally protected status until we collect the face value of the debt owed to Aversa Industries Inc. and Vincent E Aversa Jr.

Please forward this to Jeb Bush and to Secretary of State Ms. Glenda Hood so he and she are fully aware of the status of Aversa Industries Inc. if any adjustments must be made to our corporate structure to effectively collect this debt. Also please have Jeb Bush and Ms. Hood contact me in writing if possibly so this debt collection can be solidified to improve the quality of life in the State of Florida and to employ people at a higher amount of wage to promote new commerce.

Cordially.
