My above named client requested that I write to you concerning the \$400 late filing penalty. The corporation was formed in 2002. The first form and notice they received regarding the annual report was in July 2003. The instructions accompanying the form said that this was a valid excuse for abating the penalty. A letter signed by an officer of the corporation explaining this was included with the form and a check for \$150.. However they still received the attached letter asking for an additional \$400.

I telephoned your office and was told to write a letter requesting an abatement of the penalty. Please consider these facts and abate the penalty.

Sincerely,

Stanley D. Cohn
