RE: Prime Linen, Inc.,

Dear Sir or Madam;

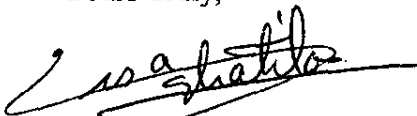

We are a relatively new corporation having incorporated just last year. We had been doing relatively well, but the economy suddenly began to affect us and many around us. We have been greatly affected by the bad economic situation that our country is going through. At this point we have tried everything we know to make our corporation successful and things are still very bad. My partner and I have not taken our salaries and have been living on limited savings which will not last more than maybe 5 months max. We both have families and right now we have had to cancel our Health Insurance Policies (we have always had health insurance coverage before) need I say more? It is truly a scary situation.

If we did not file the necessary papers and send the check before was because we did not have the money available. If you make us now pay \$500.00 as penalty you are really closing our doors not only to our business but, to our lives and our families lives. Miami is one of the places in the United States with the highest unemployment rate and if the government agencies do not help us out, there will be an increase in that number.

I ask that you help us through these difficult times and pardon and condone our lapse and give us a chance to make our business advance and move forward. The monies you are requesting as penalty is money we need for rent other expenses and for merchandise to sell and make a living. We need your help!

We are enclosing a check for the \$150.00 that we were to send in order to renew our corporation. Please accept this as payment and let us move forward from here. Your cooperation with us and your assistance would be Greatly appreciated.

Yours Truly,

Issam S. Chatila
President
