Lee Rivers:

I only want those address's changed and not the Registered Agent! Just as stated in my original e-mail. The principle office address, mailing address, and officer/director address by e-mail only. All those you listed I believe it is number 1 and 10? Number one has two places for the new address and 10 has 1. Nothing else is to be changed on the report. So as you said you can do that by e-mail so please do so as soon as possible. Will the doctor receive a new annual report with his new address or will it just be in the system for him when he receives it for this coming year?

Thank you,

The principal office address, mailing address, and officer/director addresses can be changed by e-mail, but the Registered Agent address cannot be changed by e-mail. If you need to change your principal office, mailing address, and/or officer/director address information, please reply to this e-mail and specify which of these addresses you would like for us to have updated.

If your registered agent or the registered agent's address has changed you must fill out the appropriate form

(Statement of Change of Registered Agent) and pay the statutory filing fee of \$35.00. Forms are available from our web page at www.sunbiz.org for downloading (click "Print Filing Forms"). On the next page, choose Florida Corporation (Profit and NonProfit), and then Change of a Registered Agent/Registered Office. This filing cannot be done online; it must be sent through the mail.

Thank you.
