Dear Sirs:

Please be advised that we filed a corporate annual report for our Client International Seismic Exploration Consulting Corp. Document # P02000067056. The corporation had moved and did not receive their annual renewal notification. When we filed the report on their behalf we inadvertently failed to check the box indicating that the renewal notification was not received. As a result an additional \$400 was charged to our account.

We telephoned Public Access Help and were instructed to fax a letter stating that we had made an error and requesting that the penalty be removed and the amount refunded to our account. Please let this letter serve as our request to have that amount returned and the penalty removed.

If you have any questions please feel free to contact me at 813-935-9973.

Yours truly,

Robert Graham
