5. Liquidation.

5.1 Liquidation; Deemed Liquidation

(a) Liquidation. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation (collectively with a Deemed Liquidation, a "Liquidation"), each holder of Shares of Series E Preferred Stock then outstanding shall be entitled to be paid out of the assets of the Corporation available for distribution to its shareholders, before any payment shall be made to the holders of Junior Securities by reason of their ownership thereof, an amount in cash equal to the aggregate Liquidation Value of all Shares held by such holder.

(b) Deemed Liquidation. Upon the occurrence of a Change of Control (a "Deemed Liquidation"), the holders of the Series E Preferred Stock shall be entitled to receive the full preferential payment from the Corporation of the amounts payable with respect to the Series E Preferred Stock under Section 5.1(a) hereof and the amounts, if any, payable as provided in Section 5.2 hereof. 5.2 Participation With Junior Securities on Liquidation. In addition to and after payment in full of all preferential amounts required to be paid to the holders of Series E Preferred Stock upon a Liquidation under this Section 5, the holders of Shares of Series E Preferred Stock then outstanding shall be entitled to participate with the holders of shares of Junior Securities then outstanding, pro rata as a single class based on the number of outstanding shares of Junior Securities on an as-converted basis held by each holder as of immediately prior to the Liquidation, in the distribution of all the remaining assets and funds of the Corporation available for distribution to its shareholders.

5.3 Insufficient Assets. (((H21000190794 3)))

(((H21000190794 3)))

5.4 Notice. In the event of any Liquidation (including a Deemed Liquidation), the Corporation shall, within ten (10) days of the date the Board approves such action, or no later than twenty (20) days of any shareholders' meeting called to approve such action, or within twenty (20) days of the commencement of any involuntary proceeding, whichever is earlier, give each holder of Shares of Series E Preferred Stock written notice of the proposed action. Such written notice shall describe the material terms and conditions of such proposed action, including a description of the stock, cash and property to be received by the holders of Shares upon consummation of the proposed action and the date of delivery thereof. If any material change in the facts set forth in the initial notice shall occur, the Corporation shall promptly give written notice to each holder of Shares of such material change.

6. Voting. Each holder of outstanding Shares of Series E Preferred Stock shall be entitled to vote with holders of outstanding shares of Common Stock, voting together as a single class, with respect to any and all matters presented to the shareholders of the Corporation for their action or consideration (whether at a meeting of shareholders of the Corporation, by written action of shareholders in lieu of a meeting or otherwise). In any such vote, each Share of Series E Preferred Stock shall be entitled to a number of votes equal to the number of shares of Common Stock into which the Share is convertible pursuant to Section 7 herein as of the record date for such vote or written consent or, if there is no specified record date, as of the date of such vote or written consent. Each holder of outstanding Shares of Series E Preferred Stock shall be entitled to notice of all shareholder meetings (or requests for written consent) in accordance with the Corporation's bylaws.

7. Conversion.

7.1 Right to Convert: Automatic Conversion.

(a) Right to Convert. Subject to the provisions of this Section 7, at any time and from time to time on or after the Date of Issuance, any holder of Series E Preferred Stock shall have the right, exercisable by written notice to the Corporation, to convert all or any portion of the outstanding Shares of Series E Preferred Stock (including any fraction of a Share) held by such holder into an aggregate number of shares of Common Stock (including any fraction of a share) determined by (i) multiplying the number of Shares (including any fraction of a Share) to be converted by the Liquidation Value thereof, and then (ii) dividing the result by the Conversion Price in effect immediately prior to such conversion. The initial conversion price per Share (the "Conversion Price") shall be \$2.00, subject to adjustment as applicable in accordance with Section 7.5 below.

(b) Automatic Conversion. Subject to the provisions of this Section 7, in connection with, and effective immediately prior to the closing of, a Qualified Public Offering, all of the outstanding Shares of Series E Preferred Stock (including any fraction of a Share) shall automatically convert into an aggregate number of shares of Common Stock (including any fraction of a Share) determined by (i) multiplying the number of Shares (including any fraction of a Share) to be converted by the Liquidation Value thereof, and then (ii) dividing the result by the Conversion Price in effect immediately prior to such conversion.

7.2 Procedures for Conversion: Effect of Conversion.

(a) Procedures for Holder Conversion. In order to effectuate a conversion of Shares of Series E Preferred Stock pursuant to Section 7.1(a), a holder shall (a) deliver written notice to the Corporation that such holder elects to convert a specified number of Shares, and (b) surrender, along with such written notice, to the Corporation the certificate or certificates representing the Shares being converted, duly assigned or endorsed for transfer to the Corporation (or accompanied by duly executed stock powers relating thereto) or, in the event the certificate or certificates are lost, stolen or missing, accompanied by an affidavit of loss executed by the holder. The conversion of such Shares hereunder shall be deemed effective

(((H21000190794 3)))

(((H21000190794 3)))

as of the date of surrender of such Series E Preferred Stock certificate or certificates or delivery of such affidavit of loss. Upon the receipt by the Corporation of a written notice and the surrender of such certificate(s) and accompanying materials, the Corporation shall as promptly as practicable (but in any event within ten (10) days thereafter) deliver to the relevant holder (a) a certificate in such holder's name (or the name of such holder's designee as stated in the written notice) for the number of shares of Common Stock (including any fractional share) to which such holder shall be entitled upon conversion of the applicable Shares as calculated pursuant to **Section 7.1(a)** and, if applicable (b) a certificate in such holder's name (or the name of such holder's designee as stated in the written notice) for the number of Shares of Series E Preferred Stock (including any fractional share) represented by the certificate or certificates delivered to the Corporation for conversion but otherwise not elected to be converted pursuant to the written notice. All shares of Common Stock issued hereunder by the Corporation shall be duly and validly issued, fully paid and nonassessable, free and clear of all taxes, liens, charges and encumbrances with respect to the issuance thereof.

(b) Procedures for Automatic Conversion. As of the closing of a Qualified Public Offering all outstanding Shares of Series E Preferred Stock shall be converted into the number of shares of Common Stock calculated pursuant to **Section 7.1(b)** without any further action by the holders or the Corporation. As promptly as practicable following such Qualified Public Offering (but in any event within five (5) days thereafter), the Corporation shall send each holder of Shares of Series E Preferred Stock written notice of such event. Upon receipt of such notice, each holder shall surrender to the Corporation the certificate or certificates representing the Shares so converted, duly assigned or endorsed for transfer to the Corporation (or accompanied by duly executed stock powers relating thereto) or, in the event the certificate or certificates are lost, stolen or missing, accompanied by an affidavit of loss executed by the holder. Upon the surrender of such certificate(s) and accompanying materials, the Corporation shall as promptly as practicable (but in any event within ten (10) days thereafter) deliver to the relevant holder a certificate in such holder's name (or the name of such holder's designee) for the number of shares of Common Stock (including any fractional share) to which such holder shall be entitled upon conversion of the applicable Shares. All shares of Common Stock issued hereunder by the Corporation shall be duly and validly issued, fully paid and nonassessable, free and clear of all taxes, liens, charges and encumbrances with respect to the issuance thereof.

(c) Effect of Conversion. All Shares of Series E Preferred Stock converted as provided in **Section 7.1** shall be deemed to be no longer outstanding as of the effective time of the applicable conversion and all rights with respect to such Shares shall immediately cease and terminate as of such time, other than the right of the holder to receive shares of Common Stock in exchange therefor.

7.3 Reservation of Stock. The Corporation shall at all times when any Shares of Series E Preferred Stock are outstanding reserve and keep available out of its authorized but unissued shares of capital stock, solely for the purpose of issuance upon the conversion of the Series E Preferred Stock, such number of shares of Common Stock as is issuable upon the conversion of all outstanding Shares of Series E Preferred Stock pursuant to this **Section 7**, taking into account any adjustment to such number of shares so issuable in accordance with **Section 7.5** hereof. The Corporation shall take all such actions as may be necessary to assure that all such shares of Common Stock may be so issued without violation of any applicable law or governmental regulation or any requirements of any domestic securities exchange upon which shares of Common Stock may be listed (except for official notice of issuance which shall be immediately delivered by the Corporation upon each such issuance). The Corporation shall not close its books against the transfer of any of its capital stock in any manner which would prevent the timely conversion of the Shares of Series E Preferred Stock.

(((H21000190794 3)))

(((H21000190794 3)))

7.4 No Charge or Payment. The issuance of certificates for shares of Common Stock upon conversion of Shares of Series E Preferred Stock pursuant to Section 7.1 shall be made without payment of additional consideration by, or other charge, cost or tax to, the holder in respect thereof.

7.5 Adjustment to Conversion Price and Number of Conversion Shares:

(a) Adjustment to Conversion Price and Conversion Shares Upon Dividend, Subdivision or Combination of Common Stock: If the Corporation shall, at any time or from time to time after the Date of Issuance, (i) pay a dividend or make any other distribution upon the Common Stock or any other capital stock of the Corporation payable in shares of Common Stock or in Options or Convertible Securities, or (ii) subdivide (by any stock split, recapitalization or otherwise) its outstanding shares of Common Stock into a greater number of shares, the Conversion Price in effect immediately prior to any such dividend, distribution or subdivision shall be proportionately reduced and the number of Conversion Shares shall be proportionately increased. If the Corporation at any time combines (by combination, reverse stock split or otherwise) its outstanding shares of Common Stock into a smaller number of shares, the Conversion Price in effect immediately prior to such combination shall be proportionately increased and the number of Conversion Shares shall be proportionately decreased. Any adjustment under this Section 7.5(a) shall become effective at the close of business on the date the dividend, subdivision or combination becomes effective.

(b) Adjustment to Conversion Price and Conversion Shares Upon Reorganization, Reclassification, Consolidation or Merger. In the event of any (i) capital reorganization of the Corporation, (ii) reclassification of the stock of the Corporation (other than a change in par value or from par value to no par value or from no par value to par value or as a result of a stock dividend or subdivision, split-up or combination of shares), (iii) consolidation or merger of the Corporation with or into another Person, (iv) sale of all or substantially all of the Corporation's assets to another Person or (v) other similar transaction (other than any such transaction covered by Section 7.5(a)), in each case which entitles the holders of Common Stock to receive (either directly or upon subsequent liquidation) stock, securities or assets with respect to or in exchange for Common Stock, each Share of Series E Preferred Stock shall, immediately after such reorganization, reclassification, consolidation, merger, sale or similar transaction, remain outstanding and the holder shall thereafter be entitled to receive upon conversion, in lieu of or in addition to (as the case may be) the number of Conversion Shares then issuable with respect to such Share, the kind and number of shares of stock or other securities or assets of the Corporation or of the successor Person resulting from such transaction which the holder of such Share would have been entitled to receive upon such reorganization, reclassification, consolidation, merger, sale or similar transaction if the Share had been converted in full immediately prior to the time of such reorganization, reclassification, consolidation, merger, sale or similar transaction (without taking into account any limitations or restrictions on the convertibility of such Share, if any); and, in such case, appropriate adjustment shall be made with respect to such holder's rights under this Certificate of Designation to insure that the provisions of this Section 7 shall thereafter be applicable, as nearly as possible, to the Series E Preferred Stock in relation to any shares of stock, securities or assets thereafter acquirable upon conversion of Series E Preferred Stock (including, in the case of any consolidation, merger, sale or similar transaction in which the successor or purchasing Person is other than the Corporation, an immediate adjustment in the Conversion Price to the value per share for the Common Stock reflected by the terms of such consolidation, merger, sale or similar transaction, and a corresponding immediate adjustment to the number of Conversion Shares without regard to any limitations or restrictions on conversion, if the value so reflected is less than the Conversion Price in effect immediately prior to such consolidation, merger, sale or similar transaction). The provisions of this Section 7.5(b) shall similarly apply to successive reorganizations, reclassifications, consolidations, mergers, sales or similar transactions. The Corporation shall not effect any such reorganization, reclassification, consolidation, merger, sale or similar transaction unless, prior to the consummation thereof, the successor Person (if other than the Corporation) resulting from such reorganization, reclassification,

(((H21000190794 3)))

(((H21000190794 3)))

consolidation, merger, sale or similar transaction, shall assume, by written instrument substantially similar in form and substance to this Certificate of Designation, the obligation to deliver to the holders of Series E Preferred Stock such shares of stock, securities or assets which, in accordance with the foregoing provisions, such holders shall be entitled to receive upon conversion of the Series E Preferred Stock. Notwithstanding anything to the contrary contained herein, with respect to any corporate event or other transaction contemplated by the provisions of this Section 7.5(b), each holder of Shares of Series E Preferred Stock shall have the right to elect, prior to the consummation of such event or transaction, to give effect to the provisions of Section 5.1(b) (if applicable to such event or transaction) or Section 7 hereunder, instead of giving effect to the provisions contained in this Section 7.5(b) with respect to such holder's Series E Preferred Stock.

(c) Certificate as to Adjustment.

(i) As promptly as reasonably practicable following any adjustment of the Conversion Price, but in any event not later than 30 days thereafter, the Corporation shall furnish to each holder of record of Series E Preferred Stock at the address specified for such holder in the books and records of the Corporation (or at such other address as may be provided to the Corporation in writing by such holder) a certificate of an executive officer setting forth in reasonable detail such adjustment and the facts upon which it is based and certifying the calculation thereof.

(ii) As promptly as reasonably practicable following the receipt by the Corporation of a written request by any holder of Series E Preferred Stock, but in any event not later than 15 days thereafter, the Corporation shall furnish to such holder a certificate of an executive officer certifying the Conversion Price then in effect and the number of Conversion Shares or the amount, if any, of other shares of stock, securities or assets then issuable to such holder upon conversion of the Shares of Series E Preferred Stock held by such holder.

(d) Notices. In the event:

(i) that the Corporation shall take a record of the holders of its Common Stock (or other capital stock or securities at the time issuable upon conversion of the Series E Preferred Stock) for the purpose of entitling or enabling them to receive any dividend or other distribution, to vote at a meeting (or by written consent), to receive any right to subscribe for or purchase any shares of capital stock of any class or any other securities, or to receive any other security; or

(ii) of any capital reorganization of the Corporation, any reclassification of the Common Stock of the Corporation, any consolidation or merger of the Corporation with or into another Person, or sale of all or substantially all of the Corporation's assets to another Person; or

(iii) of the voluntary or involuntary dissolution, liquidation or winding-up of the Corporation;

then, and in each such case, the Corporation shall send or cause to be sent to each holder of record of Series E Preferred Stock at the address specified for such holder in the books and records of the Corporation (or at such other address as may be provided to the Corporation in writing by such holder) at least 15 days prior to the applicable record date or the applicable expected effective date, as the case may be, for the event, a written notice specifying, as the case may be, (A) the record date for such dividend, distribution, meeting or consent or other right or action, and a description of such dividend, distribution or other right or action to be taken at such meeting or by written consent, or (B) the effective date on which such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding-up is proposed to take place, and the date, if any is to be fixed, as of which the books of the Corporation shall close or a record

(((H21000190794 3)))

(((H21000190794 3)))

shall be taken with respect to which the holders of record of Common Stock (or such other capital stock or securities at the time issuable upon conversion of the Series E Preferred Stock) shall be entitled to exchange their shares of Common Stock (or such other capital stock or securities) for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding-up, and the amount per share and character of such exchange applicable to the Series E Preferred Stock and the Conversion Shares.

8. Reissuance of Series E Preferred Stock. Any Shares of Series E Preferred Stock redeemed, converted or otherwise acquired by the Corporation or any Subsidiary shall be cancelled and retired as authorized and issued shares of capital stock of the Corporation and no such Shares shall thereafter be reissued, sold or transferred.

9. Notices. Except as otherwise provided herein, all notices, requests, consents, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been given: (a) when delivered by hand (with written confirmation of receipt); (b) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (c) on the date sent by facsimile or e-mail of a PDF document (with confirmation of transmission) if sent during normal business hours of the recipient, and on the next business day if sent after normal business hours of the recipient, or (d) on the third day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid. Such communications must be sent (a) to the Corporation, at its principal executive offices and (b) to any shareholder, at such holder's address as it appears in the stock records of the Corporation (or at such other address for a shareholder as shall be specified in a notice given in accordance with this Section 9).

10. Amendment and Waiver. No provision of this Certificate of Designation may be amended, modified or waived except by an instrument in writing executed by the Corporation and the holders of not less than two-thirds of the then total outstanding Shares of Series E Preferred Stock, and any such written amendment, modification or waiver will be binding upon the Corporation and each holder of Series E Preferred Stock; *provided*, that no such action shall change or waive (a) the economic rights associated with the Series E Preferred Stock, including by amending the definition of Liquidation Value or any of Sections 4, 5, 7.1 or 7.5, or (b) this Section 10, without the prior written consent of seventy five percent (75%) of then total outstanding Shares of Series E Preferred Stock; *provided, further*, that no amendment, modification or waiver of the terms or relative priorities of the Series E Preferred Stock may be accomplished by the merger, consolidation or other transaction of the Corporation with another corporation or entity unless the Corporation has obtained the prior written consent of not less than seventy five (75%) of the then total outstanding Shares of Series E Preferred Stock in accordance with this Section 10.
