RE: American Sanitation Inc. (John Burley)Pres.

Dear Karen

*no fee
required*

This letter is in response to our phone conversation May 12, 2005.

Thank you for your assistance, I am requesting that my name be removed from the Corporation papers as a Director or whatever from the above referenced Corporation.

I know John Burley, who he is, and that is all. I have no connection with his Corporation and I have found out through Ford Motor Credit that John has listed me as one of his Directors.

I have never been part of American Sanitation Inc, I have never considered being part of his Corporation and never knew anything about my name being placed on his Corporate filing, so please remove my name from this organization at once and I will thank you very much.

Sincerely

W.A. Barnes
