Uniform Business Report

The on-line filing of a Uniform Business Report (UBR) requires the user to enter the document number and electronic access code that is provided in the UBR mailing packet. The UBR mailing packet contains several pages, with the main insert being the UBR form. The UBR form will have the entity's document number printed in the upper left corner in Block 1. The electronic access code is the four-digit number printed on the bottom of the inside cover page of the UBR mailing packet. Before proceeding, please read the Introduction To Filing-A-Uniform-Business-Report-On-Line. This will provide the information you will need to successfully complete your on-line UBR. Also, each page of the UBR will have a help selection for the data to be entered. After you have entered the numbers below, select the submit button to proceed to page one of the UBR.

Document Number

Electronic Access Code

In order to meet the May 1st deadline for on-line UBR filings for the year 2003, you must possess the corporation's electronic access code. If you do not have your corporation's electronic access code, you will not be able to file on-line at this time. You may download a blank UBR form from our website. The electronic access code can only be provided by written request.
