To Whom It May Concern:

Please accept this letter as an explanation of our late filing of the UBR for Property Solutions Associates, Inc.

As president of the Corporation it was my responsibility to make sure the UBR was filed on time, as we are a start-up company and unable to generate any compensation for the officers of the corporation, my former vice president was unable to continue on in his duties.

As I am afflicted with Multiple Sclerosis and cognitive short term memory is a problem, I thought he informed me all accounting and filing requirements for the State were done and up to date.

My new partner and Vice President Kenneth Moscone took over that position along with all the books for Property Solutions Associates, Inc. he soon discovered we had never filed. Please accept our apologies.

Thank you,

Larry Goldstein
