Re: RDK International, Inc.
Document #P02000083553

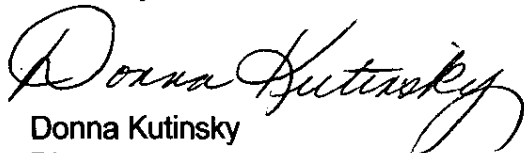

To Whom It May Concern:

Enclosed is my For Profit Corporation UBR renewal form with a check in the amount of \$150.00. On October 15, I received notice that my corporation status is in jeopardy. This is the first time I was made aware of the need to file an annual report.

RDK International, Inc. is a small entity whose purpose is to come along side educators to help them reach the needs of struggling students, specifically in the area of reading. The success rate has been phenomenal, particularly here in Florida where we have many students transitioning to private schools due to our state's voucher program. Without remediation, many of these students would become frustrated and give up. The loss of my corporation status would certainly have an impact on my ability to stay afloat and to continue offering this valuable program to educators and their students.

My failure to file was not an attempt to defraud or deny any tax due. And, because I am current on all taxes, there is no tax loss to the government. Therefore, I am asking for reinstatement of my corporation status and removal of any penalties and fees due to my tardiness in filing this report.

Sincerely,

Donna Kutinsky
Director
RDK International, Inc.
