Dear Sir or Madam,

While in the process of requesting a Certificate of Good Standing from the State of Florida, we were made aware by the Office of the Secretary, Division of Corporations that our corporation, Management Advisory Group, Inc. International, has been dissolved because we failed to file a UBR report between January and May, 2003. We were completely unaware of this requirement and, to our knowledge, received no notification of the requirement or the fact that we had not complied with the requirement by January 1, 2003. Management Advisory Group, Inc. International has only been incorporated in the State of Florida for approximately one year and therefore we had not come across this issue before. Therefore, we are requesting leniency in this matter and would like to have our status as a corporation in the State of Florida reinstated. Thank you for your consideration.

Sincerely,

Carolyn Long
President and CEO
