To whom it may concern,

I recently received in the mail an application for reinstatement of my corporation, Lushing Ventures, Inc. It was very upsetting to receive this but after speaking with someone at the department of state, everything was clarified for me.

It turns out that my Annual Report/Uniform Business Report was sent out and received but was sent back to me due to the fact that the FEI number was missing. I was surprised because I printed out my form off of the Internet and thought this form was complete when I sent it out with my check for \$150. It turns out that this was sent back to me and was never received by me. I am completing my application for reinstatement immediately but I do not feel that I should have to pay all of these related fees. There are many places on this form that do not require something to be filled in and I would hate to know that because I missed a box I have to spend \$750 instead of \$150. I would appreciate it if I was not fined for this and you will accept my payment of \$150 and my corporation will be reinstated immediately. This was my first year of being incorporated so I am learning as I go along and will be sure that this does not happen in the future.

Thank you very much,

A handwritten signature in cursive script, appearing to read "Scott Lushing".

Scott Lushing
President: Lushing Ventures, Inc.

Barbara/Steve,

Here are the paystubs to my payroll. I got a letter saying my corp was dissolved because they didn't receive my annual biz form and it turns out that they sent it back to me because I left out the FEI # and I never got it back. They eventually sent me another notice but I didn't open that either I guess. Now I am applying for reinstatement asking them to waive the fees because they see on record that I did send it out, they just sent it back to me.

Regarding this payroll, I did not itemize all of the payroll for myself but did for my assistant with the FICA and WITH. I do have large check marks next to all of my paychecks to myself, my assistant, and the fiduciary. If you need a better explanation of what is going on, please do not hesitate to call me.

Regards,
Scott Lushing
