RE: Uniform Business Report

To Whom It May Concern:

I recently received a letter dated July 24, 2003 regarding this year's uniform business report. This letter requests that I pay a balance of \$400 in late filing fees. I never received the original letter sent out with the uniform business report which asks for a fee of \$150. I moved to a different home at the time that letter must have been sent out because again, I never received it. The first letter I did receive from the Division of Corporations was actually a second notice, notifying me of the \$550 combined fee (reg. fee plus late fee) with the uniform business report attached to be filled out. I called the office of the Division of Corporations at that time and spoke with a representative who advised me to send in the uniform business report with the \$150 fee along with a letter explaining what had happened. I did as instructed and have now as stated previously, received a second notice asking me for the additional \$400. I would like to again, ask you to consider my situation as I was unaware of a deadline due to not receiving the first notice. I apologize for any inconveniences, however, I registered my incorporation only last year and as such I am fairly new to the processes and procedures of the Division of Corporation. If you have any questions, please feel free to contact me 321-228-3836 or 407-977-8455. I would like to thank you in advance for your consideration.
