To Whom It May Concern,

I am the accountant for the above mentioned client. In March of 2004, we contacted the Department of State because my client did not receive his annual filing report. They said, his annual report notice card was sent back, but the address was correct when we called Tallahassee. They said they would send another blank form immediately, since they do not have a computer, before the May 1<sup>st</sup> due date. In late April of 2004, we again called and informed the Department of State, that we never received the blank form. Finally, on June 29, 2004, they received a copy of the Filing Form that should have been sent in January of 2004. We complained to the Department of State that because of their error, we did not feel that we were liable for the \$550.00 fee. They advised us that we should send in this letter explaining the circumstances, and that the \$150.00 fee would be accepted.

If you should have any questions, please feel free to contact me.

Thank you,

Salvatore J. Cossentino
