To Whom It Concerns,

Since the start of JAG WorldWide, Inc. the company has not produced any income. The business has been put on hold until I, the owner, can learn more about starting and maintaining a business correctly. I was forced to move my company address and sent address change requests to all government bodies I had dealt with. The Department of State is not one that I dealt with and was not issued a change of address. I never received the form and did not know of the company being dissolved until I went to setup an account with a distributor.

I am requesting my company be reinstated with the initial \$150 fee due to not receiving the forms.

Thank you for your time.
