Subject: Request,waiver of late filing fee for 2003 UBR

I began the process of getting my EIN for the attached UBR in early March of this year. I received a response in late March from the IRS stating that they needed some formal evidence from the state of Florida with official seal and signed stating that J.P. Taliaferro, Inc. was indeed a Florida Corporation.

I explained that I did it over the Internet and did not have anything so formal, but sent them my Document number, etc. from the filing. Received word back that they did not have any way of telling from that Doc. number.

~~By this time the normal deadline for timely filing had past. I called your office and~~
found that I had to have the EIN this year. I called the IRS and left a message; they finally called back in late July. I finally received my EIN and have submitted the completed form. I called your office and was told to send the normal amount and request, under the circumstances, a waiver of the late filing fee.

If you need any additional information, please let me know.
