To Whom It May Concern:

Please find enclosed our Uniform Business Report (UBR) payment corresponding to year 2002. As stated in the attached communication we just received a notification of a late charge for not having filed the UBR on time. The truth is we did not know about it just until we received it in the mail but that happened after the deadline. We always pay our dues on time and would not like this not to be the exception. Please accept the present as our payment and let us know if any further action need to be taken from our part.

Sincerely,

Remberto Espinosa

You would need to send the report you have through regular. Send the report with the regular fee of \$150.00, also send a letter indicating you did not receive the first notice that was sent out in January.

To Whom It May Concern:

The purpose of my communication with your department today is to ask you for advice in regards to the filling process of the UBR. We have been in business since October of 2002 (10 months) and just two weeks ago we received a notification of a late charge for not having filed the UBR on time. The truth is we did not know about it just until we received it in the mail but that happened after the deadline. We always pay our dues on time and would not like this would the exception. Could you, please, give us some guide to pay it and avoid the late penalty if possible? Any help would be really appreciated.

Sincerely,

Remberto Espinosa
