Dear Sir or Madam:

Safenet South Security, Inc., EIN 57-1135117 and Florida Document # P02000113403 recently received notice of administrative dissolution. Because they had incorporated on October 14, 2002, they thought that the original fee that they had paid to incorporate covered the entire first year – not just the partial first calendar year. This erroneous thought was the result of misinformation that was received from the Department of State – probably because of not explaining the dates properly in October of last year when they incorporated.

Additionally, the annual report that should have been received by the corporation was not received. This particular corporation forwards such items to our office – and neither the corporate officers nor anyone in our office received the annual report.

Because of this being their first year of being incorporated and because the annual report was never received, we are requesting that the reinstatement fee be waived this one time. Enclosed with this letter is the signed application for reinstatement and a fee of \$150 as would be required for a timely filed annual report.

Thank you for your understanding in this matter.

Sincerely,

JANSSEN & IGAR, CPA^s, PA
