To Florida Department of State:  
Division of Corporations

In November 2002 Luxury Real Estate Florida was incorporated and licensed with the state. The Corporation did not receive a notice for renewal of license for 2003 plus the corporation did not receive a late notice. The Corp checked the website in August for Status and at that time the website said the Corp was current. So the Corp thought everything was ok. The Corp thought it had paid for 2002 and 2003 in Nov 2002. Then the Corp received the dissolution notice. The Corp requested and received a notice for renewal. Enclosed is a renewal application and a renewal fee of \$150 to take care of this problem. It was a surprise that this happened and will not happen in the future.

If there is any more questions or information needed please contact any of the following:
