Division of Corporation:

We are writing this letter concerning delinquent uniform business report, we spoke to your office on June 9, 2003 and was advised to send this explanation with the amount \$150.00. We filed our incorporation with Florida agent services via your web site.

After filing the incorporation and filing for the Federal Employer Identification number as instructed by the agency as a start up business. The agency then informed us that we have to file and pay the uniform business report, we sent the \$150.00 fee to the agency and was informed that we must file for a local occupational license and the form was given to us for the uniform business report. We filed and received the occupational license on May 19, 2003 and returned the form and fee to the agency and was told to mail the fee to your office.

On June 9, 2003 we spoke to your office and was informed that we had to write this explanation to you. We are committed to doing business the proper way by filing all necessary paperwork and fees involved in the process of getting our business up and running in Florida. We have been dependent upon information we receive from your office and the Florida agent services and our research through local agencies.

We appreciate your consideration in this matter.

Thank you,
Tracy Samuels
