This letter is to explain to you why we are sending in the \$150 yearly corporation filing fee late beyond the scheduled due date.

When we registered our corporation in November 2002 we understood from the confirmation letter received from the new filing section of your office that we had to pay this filing fee on the year following the first year of incorporating. And since we did not receive any form to pay this year, we thought we were correct. Recently when we paid for our other corporation's fee, we decided to call your department and double check. That is when we were told that we did need to pay for this year too, even if we were still not one year old as a corporation.

Attached please find the Report Form that we downloaded from your website at the request of the person that assisted us over the phone, and the check for \$150.

Please verify that you have our correct address because we did make a change of address when we moved to our office in February 2003.

Thank you for your assistance,

Monica Pena
